Digital Competencies Survey

We're excited to invite you to take part in our Digital Competencies Survey, developed by the Erasmus+ project team behind "D-PBL - Advancing Project-Based Learning into the Digital Era." This brief survey is designed to help you assess your digital skills and provide you with a personalized learning plan to boost your digital proficiency.

Why Participate?

- ☒ Quick & Simple: Just 3 minutes to complete, with 12 short statements about your digital usage in teaching.
- ☒ Personalized Recommendations: Based on your responses, you'll receive specific resources from the D-PBL Training Toolkit to support your growth.
- ☒ Confidential & Impactful: Your responses will remain private, helping us improve the toolkit and better meet the needs of educators like you.

Survey Highlights:

How it works: Rate your agreement with each statement on a weekly/monthly scale (e.g., "I use digital tools to collaborate with students").

What you'll get: A detailed assessment of 20 digital competencies, categorized into six DigCompEdu areas, with suggestions for training resources that match your current level.
